ELECTION CANADA 2015

Re-elect Harper

I will bring back capital punishment.

Anyone who supports the NDP or Liberals will be categorized as terrorists, and this time they can expect more than just getting a few ROBOCALLS. My Bill C-51 has legalized CSIS dirty tricks on all people who don't support me.

ELECTION CANADA 2015

Re-elect me and I will formally legalize the Catholic Church's right to ass rape our children by enshrining it in the Constitution.

Then, I'll start

I think I'll call a snap election in August. That way, I can take care of those Liberal/NDP bozos first before whipping out my CF-18s and joining Israel in rubbing out those Iranian nuclear sites.

HARPER'S SECRETS
REVEALED!

2015 ELECTION FACTS

VOTE HEIL HARPER!

Vote Harper

Such freedoms for people here in Canada...for example, that NDP clown Mulcair - first he's a Liberal, then he tries to join my party, then he becomes an NDPer and becomes their leader. Then there's Trudeau - just because his daddy was Prime Minister, he thinks its his God-appointed position in life. I need a majority to crush these pissant pipsqueaks and show them their true place in Canada.

Even if the Opposition finds out about the real source of last election's ROBOCALLS, I think that I can still finangle a majority government.

All I have to do is allow one cockamamie terrorist birdbrain to "succeed" in perpetrating an attack somewhere on Canadian soil, sacrifice a few nobodies, and BINGO! it's a guaranteed slamdunk majority government for the good guys + gals in Harperland.

Canadians don't realize how good they have it. They seem to forget that it is I, Stephen Harper, who is the only thing standing between them and an invading horde of blood-thirsty, savage, depraved ISIS militants who are hell-bent on turning my beloved Harperland into some sort of Islamic Caliphate. It doesn't help that Trudeau and Mulcair want to stop bombing them and play mollycoddling saps.

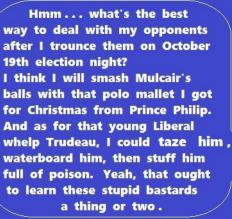

I have to crush Trudeau and Mulcair. These pandering fools want to make soccer Canada's national sport instead of hockey. Where do these idiots get their lame-brained ideas from? The Taliban playbook?

If this were 1915 and not 2015, I'd put both these assholes through the motherfucking wringer. Then, just for kicks, I would hang them from the Peace Tower flagpole!

In the national interests of open, accountable government, here is a breakdown of MP performance on that fateful October 22nd 2014 day:

Took pro-active, defensive measures	32%
Prayed to allmighty God Gibbered incoherently	30% 19%
Assumed a fetal position	6%
Went temporarily catatonic	3%
Hid in closet	<1%
